

Ice-Hole

By Darren Manners

An E-mail Phishing Training Tool

Who Am I?

* Darren Manners

* Designer of Ice-Hole, Sphere of Influence and De-cloak

* Lead Penetration Tester for SyCom Technologies

What is Ice-Hole?

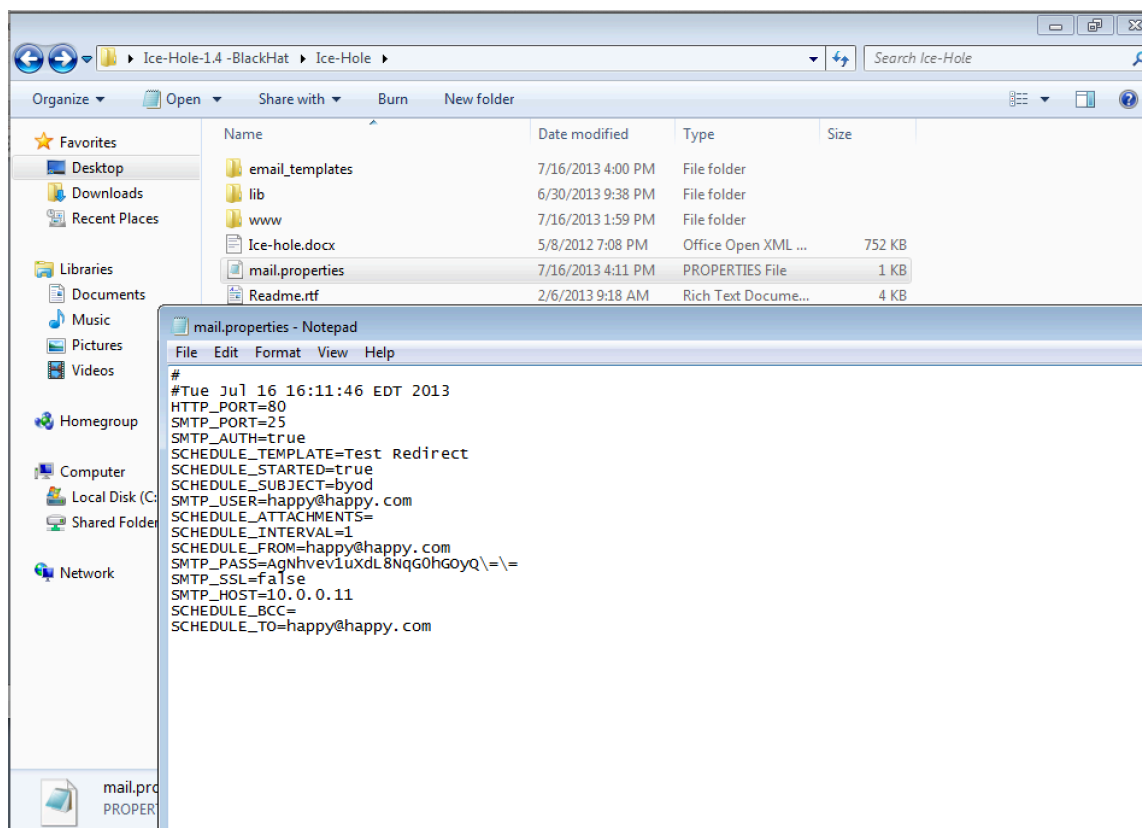

- * Designed for Penetration Testers, Security Analysts and System Administrators
- * The idea was to provide a tool that could do e-mail phishing attacks as well as provide feedback and training for users.

What is Ice-Hole?

- * It is not a tool for Hackers....
- * Nor is it a a funny word when spoken by someone with a British accent.

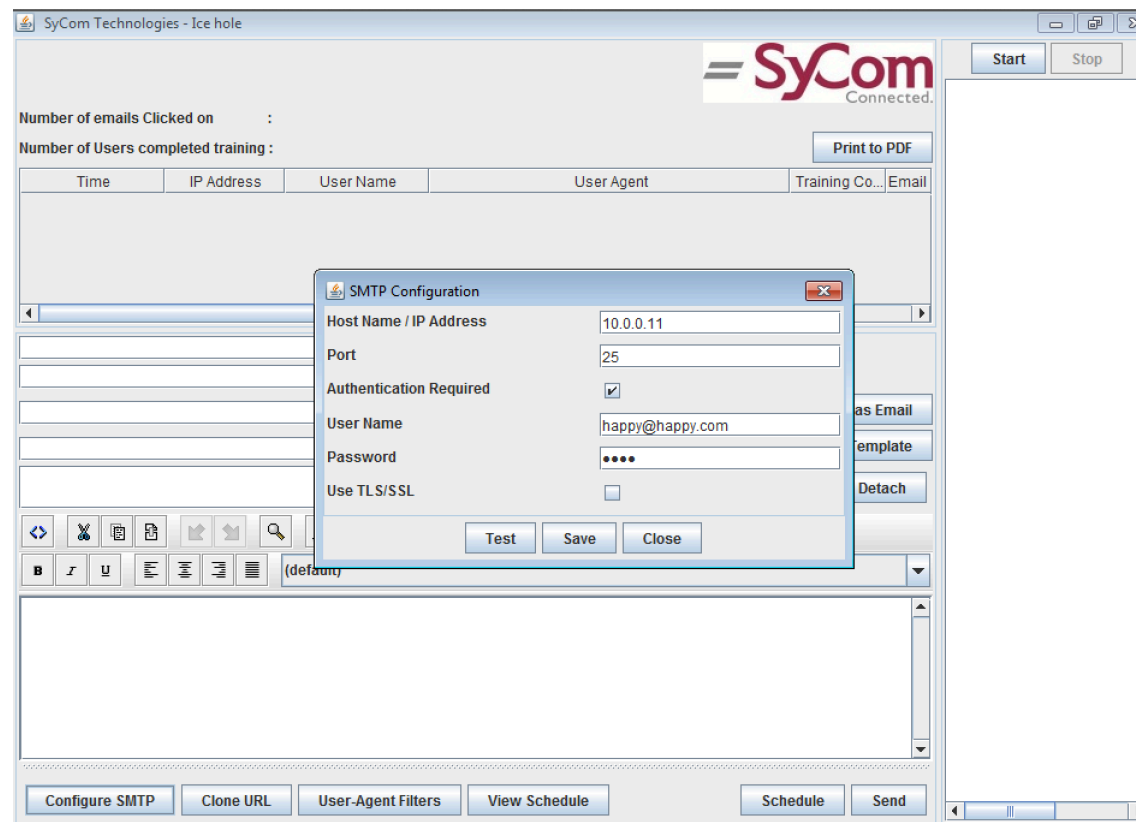

Configuration

- * Set up an account on your own mail server, one in the cloud or on a relay.

Configuration

- * Set up an account on your own mail server, one in the cloud or on a relay.

Files

- * To start on windows run `run_training.bat`, to run on Mac or Linux use `ice-hole.sh`
